President Eckert on out of town M31 call. Secretary McCormick gives report in his place. (apologies for resulting decline in not taking)

Bond efforts continue. Inconclusive at this time pursuing KRCC endorsement. Some open houses and presentations already, more to come. Important to mind yourself at work and avoid any advocacy, education only.

Hear more in first district report and pac report, house bill 340 remains drawered in committee. Best place for it to be for us. Our political efforts at work. Once session closes we will have work to do supporting our friends and fighting our foes. As we've seen in Utah the good life is delicately held.

Chamber scholarship. The eboard elected to support the chamber and tribes local scholarship, giving 1k. Was a time sensitive decision due to a limited time 100% match on donations made by the tribe. Good opportunity, good cause, good press amidst bond efforts.
