Meeting Minutes**

**Delayed:** Meeting delayed for 2856 presentation about their upcoming levy.

**Called to Order: 20:00**

Accept minutes, motion Hoston, second Hyder. Unanimous pass.

**Presidents Report:**

Eckert reports,

Division/deputy chief question remains. Since last month I have had more meetings. We had pursued this in our last contract, unsuccessfully. As it stands ops change to assistant chief, a DFM to a fire marshall, ems, logistics, training to division chiefs within the local. Would gain a local position, promotable positions, allow us to negotiate job descriptions etc. For example the training chief was hired as a deputy chief with no job description. Stand for any questions, still in development, will continue to work forward with it.

Timelines- Hilti promoted August 3rd tomorrow would be 60 days to fill his spot. As of today Jones will be filling that spot. Starting the clock on 60 days to fill emso/div chief spot.

State provincial conference, schedule for the weekend is gelling. Spots open to join sunday boat ride, talk to Gabe if interested. PFFI planned hospitality night, monday on resort lawn. Expect emails with details.
